

Dear Colleagues,

On behalf of Pr Meinhard Classen and Pr Michel Cremer, we are pleased to invite you to « The Old & Young Boys Club ERCP Meeting » to be held on June 23, 2008 at Dolce La Hulpe Brussels, 35 years after the birth of the BSGIE.

Peter Cotton suggested to Meinhard Classen to organize a meeting of the pioneers of ERCP and their pupils in Belgium. An "Old and Young Boys Club" was thus created.

The topics of the meeting are, for the pioneers: "The developments of ERCP/ES, its difficulties, its victories and the catastrophes", with a sense of humour.

For their pupils: "The future developments of ERCP and ENDOTHERAPY".

The aim of the meeting is a confrontation between the beginning of the ERCP in the seventies and its future evolution in the 21st century.

You will find the programme attached.

A registration form is enclosed.

We are looking forward to seeing you then.

Sincerely yours,

Isabelle COLLE
